Harvest requirements: Harvest all orange paint marked trees. This is a ticket scale sale. Although this is a year round logging site, it is best to operate when the hazel is free of foliage. This is in order to see the paint marks clearly. Sale access will be off County Highway A and there is a possibility of using Weldon road for access to the small sale areas. No new roads need to be constructed.

The two small areas to the west have red paint lines around them. The larger area is defined by blue paint, roadway, and obvious timber type changes.

All pine must be hauled within 3 weeks of harvesting between May 1st and August 31st. Decking of wood along Town roads will not be allowed without permission from Bayfield County.
