

# 2010 Bayfield County Fair Camping Form

1. All persons wishing to camp at the Bayfield County Fair must have a camping permit.
2. **ALL** campsites (including tent sites) are assigned & assessed a camping fee.
3. **PLEASE** check with the Fair Office **BEFORE** you set up camp. Just because you have camped at a certain site in the past does not mean that you will be assigned the same site this year. If you are not in the correct site, you will need to relocate &/or pay a fine.
4. Camping permits must be placed on your camping unit & left on throughout the Fair.
5. All youth under the age of 18 must be chaperoned by their parent or legal guardian.
6. Department of Health regulation requires that each camper must catch any waste water (including gray water) & dispose of it properly in a city sewer, a septic system or at a dumping station.
7. A Dumping Fee is NOT included in the camping fee. A Dumping station is available off site at Twin Bear Campground.
8. To reserve your camping request, payment should accompany this form. Checks should be made out to The Bayfield County Fair.
9. The camping fee is the same regardless of how many days/nights you camp during the Fair.
10. Those wishing to "camp with their horse" will be assigned to the designated Primitive Horse Camping Area, which is located in the horse trailer parking area.
11. Generators are NOT allowed in the primitive (non-electrical) camping sites.
12. Campfires are not allowed, except in designated areas.
13. Be courteous to others camping near you.
