Dear Ms. Opperman:

Thank you for submitting your county's 2018 Children's Community Options Program (CCOP) Annual Plan Update.

The Bureau of Children's Long Term Support Services (BCLTSS) and Bureau of Long Term Care Financing (BLTCF) have conducted a joint review of your county's 2018 CCOP Annual Plan Update, to ensure it adheres to requirements detailed in Wis. Stats. § 46.272.

This letter confirms acceptance of your 2018 CCOP Annual Plan and also confirms compliance with the required remediation noted in the 2017 CCOP Five-Year Full Plan review (i.e., 1) methods used to promote the creation of advocacy systems for families; 2) the CCOP Advisory Committee includes a school district representative; 3) the CCOP Advisory Committee includes a local health department representative; 4) at least one additional committee member provides community social services to children with disabilities who are eligible for the program).

Again, thank you for the continuing commitment that you, your staff, and your CCOP Advisory Committee provide to the children and families of your county.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Rathermel".
