Squad Fund (760) may go over this year. Will be proposing an amendment if it does go over. Staffing – a jailer was going to retire but was diagnosed with a terminal illness. She won't be back to work and is using up her benefit time until she runs out. She will be also doing some work with the Criminal Justice Office.

Matt Leino is in his 2nd week of K-9 training. The K-9 will be at the December meeting. He is trained in Heroin, opiates and meth. NOT marijuana. Currently working on updating policies regarding a K-9 but there is nothing that will need to go through this committee.

Jail construction is moving along. The plumbing was done on the 5th of November. Won't be doing any heavy work until February 2020. But the project is going as planned.

Update on inmates: 48 with 17 boarded (from Sawyer, Ashland, Douglas and state prison).

Other Committee Concerns: None
