Hello! My name is Nick Pully, I am 15 years old, I am a member of the Whittlesy Creek 4-H club, Ashland FFA chapter, Boy Scout Troop 342, Bayfield County Market Sale, and a sophomore at Ashland High School. I enjoy working on my sheep, astronomy and aero space, running cross country and track! My plan for my future are to join the Air Force and work for NASA someday!

Due to Covid-19 sadly we are not having a fair at the fair grounds this year. However, I have still been working on my market lamb project for the Bayfield County Market sale! I am very excited to know that my hard work will pay off with our upcoming online sale. I want to thank Synergy Co-op for buying my 2019 lamb. And look forward to a lot of online bids this year!
