To the Citizens of Bayfield County

It is a great pleasure to provide for you the wide range of information contained in this Official Directory of Bayfield County.

In compiling this Directory, I have endeavored to provide one handy booklet that can also be viewed online at: www.bayfieldcounty.org/135/County-Clerk, then select County Directory (PDF). It has all of the information you might require to assist you in contacting the office to help with your specific inquiry.

Please keep in mind, that all Bayfield County offices are YOUR OFFICES. These offices, and the people who staff them, are here for one primary reason, TO BE OF SERVICE TO YOU. Everyone in the Courthouse will be pleased to have the opportunity to assist you at any time. Please feel free to visit us when you are in Washburn, even if you do not have a specific purpose in mind.

Please save this Directory for future reference, and make use of it whenever you require information about your Bayfield County government.

All of us in the Courthouse thank you for the privilege of serving you.

Scott S. Fibert,
Bayfield County Clerk

About the Reservation

The Red Cliff Reservation is governed by an elected nine (9) member Tribal Council. The role and responsibilities of the Tribal Council have expanded considerably since the passing of the Self-Determination and Educational Assistance Act of 1975. The Tribe administers approximately 120 programs, grants, and contracts and employed over 300 people in 2012.

The Reservation is approximately one-mile wide and 14 miles long, located at the top of the Bayfield Peninsula, on the shores of Lake Superior in Northern Wisconsin. The village of Red Cliff, the location of tribal offices and business, is 3 miles north of Bayfield, Wisconsin; a popular tourist community adjacent to the Apostle Islands National Lakeshore.

HUNTING & FISHING LICENSES

The Bayfield County Clerk’s Office no longer is a DNR licensed agent for selling hunting and fishing licenses. We apologize for any inconvenience this may cause. There are many licensed agents within Bayfield County that participate in Wisconsin’s hunting and fishing license program. These agents are located at gas stations, grocery stores, and bait shops throughout Bayfield County.

HISTORY OF BAYFIELD COUNTY

The State of Wisconsin became a part of the Northwest Territory in 1836. It became a State in 1848. At that time, Bayfield County was a part of LaPointe County.

The Legislature of 1865 enacted into law Chapter 146 which detached all of Townships 48 and 49 North of Range 5 West, and all of the fractional parts of Townships 48 and 49 North, Range 4 West, situated on the West side of Long Island Bay from Ashland County and annexed to the County of LaPointe. Said Chapter changed the name of LaPointe County to Bayfield County effective May 1, 1866.

In 1858, the County Seat of LaPointe was moved to Bayfield from the Village of LaPointe on nearby Madeline Island.

A referenda election in 1892 changed the County Seat to the City of Washburn.

Bayfield County has 25 towns, 2 cities and 1 village.

The 2000 census give Bayfield County as having a population of 15,013.

Bayfield County is governed by a 13 member Board of Supervisors. The Board is elected in April of even numbered years.

The name Bayfield County was in honor of Henry Wolsey Bayfield, a British Real Admiral in the Royal Navy. He surveyed Lake Superior in 1823-1924.

Bayfield County is the second largest county in Wisconsin in area and contains approximately 966,000 acres with landscape that varies greatly from the North along Lake Superior to the South where there is a vast inland lake world, you will find plenty of diversity. Heavily glaciated, Bayfield County has the look of character, marked with a range of hills known as the Bayfield Peninsula. The same glacier that formed the hills also left a network of streams and lakes, ideal for swimming, boating, and fishing. Here you will also be surprised by the natural beauty, as rugged as what you might expect to find in the eastern part of the country. Sandstone cliffs rising 60 feet above Lake Superior have been undercut and sculptured by waves. Picturesque pillars, caves, and arches have been formed.

Bayfield County has 966 lakes (398 with access and with fish to challenge anyone); 20,650 acres of surface water, and 400 miles of streams.

Deer, bear, grouse, rabbits, and migrated waterfowl abound in Bayfield County.
HISTORY OF BAYFIELD COUNTY (Cont’d)

Bayfield County could not be any closer to another natural attraction, the expansive Apostle Island National Lakeshore. It includes 42,000 acres of land, 26,500 acres of water, and 20 islands, as well as a narrow strip along the Bayfield Peninsula.

Bayfield County has 966 lakes (398 with access and with fish to challenge anyone); 20,650 acres of surface water, and 400 miles of streams.

Deer, bear, grouse, rabbits, and migrated waterfowl abound in Bayfield County.

Bayfield County’s main industries are: Agriculture: Dairy Farming, Berries and Fruits; Recreation: Skiing at Mt. Telemark near Cable; skiing at Mr. Ashwabay near Bayfield; trolling for trout on Lake Superior, good fishing in inland lakes and streams, snowmobiling with hundreds of miles of trails; Education: Several schools with adequate facilities-grades Kindergarten through 12th grade, part of District #17, Area Vocational, Technical and Adult Education School situated in Ashland, with classes being conducted in several other locations in Bayfield County;

Numerous churches throughout the County; Forests-US Forests (approximately 240,000 acres), County Forest Lands (approximately 167,500 acres); Woodworking Industries; Commercial Fishing.

THE NAME WISCONSIN

Although there are several opinions regarding the origin of the word “Wisconsin,” the derivation suggested by Louis Kellogg, who was an authority on Wisconsin history is that “The State derived its name from the principal river which runs centrally through it.” The Chippewas upon its head waters called this river Weeskonsan which signified “the gathering of the waters.” They gave it this name, as an Indian trader stated, “on account of its numbers branches near its head concentrated into one stream.”

In the past, Bayfield County has provided the Bayfield County Directory free of charge to government and non-profit agencies, and at a nominal fee to others. We have had many changes within the Courthouse and one was to make the Directory available online. The Bayfield County Directory is available online, accessible from Bayfield County’s website at: www.bayfieldcounty.org/135/County-Clerk, then select County Directory (PDF).

If you do not have access to a computer to download a copy of the Directory, one can still be obtained from the County Clerk’s office for a fee of $5.00. If you choose to have one mailed to you, you will need to add an additional $2.50 for postage & handling, which needs to be paid prior to mailing. You can send your request & payment to:
