Harvest Requirements:

- Sale is an aspen coppice being sold on a ticket scale basis.
- Sale boundaries consist of red paint line, trails and an abrupt timber type change to young red pine.
- Cut all hardwood stems 2 inches in diameter and greater. Cut all jack pine stems 5 inches and greater.
- Leave all red and white pine.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
- Do not cut snags except for those that pose a safety hazard.
- Whole tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- According to the Bayfield County Access management plan the existing roads within this timber sale are closed to highway vehicle use. Prior to the completion of the timber sale roads need to be blocked as directed by the sale administrator.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
