Harvest requirements:

- This is a ticket sale. Sale boundaries are marked in red paint.
- This is a clear cut in scrub oak, aspen, and pine.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- Harvest all merchantable trees. Sever all stems 2" diameter at breast height and larger.
- Do not damage any survey monumentation.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- Do not cut snags except for individuals that pose a safety hazard
- All roads are in place. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
