---

- This sale is being sold on a Ticket Scale Basis  
- Sale consists of multiple clearcut units: Swamp Conifer, Swamp Hardwood, Aspen  
- Harvesting in the Swamp Conifer and Swamp Hardwood units may only occur during frozen-ground conditions  
- Sale boundaries are defined with red paint lines, blue paint lines, trails or type change (swamp hardwood to aspen high ground)  
- Blue paint line marks private property. No equipment or trees may cross the blue paint line  
- Leave all non-merchantable conifers on entire sale  
- Leave all hemlock and cedar on entire sale  
- Aspen clearcut unit: Harvest all merchantable trees except purple painted oak and birch. Sever all hardwood stems 2” diameter and greater. Leave all red and white pine  
- Swamp conifer unit: Harvest all merchantable tamarack and black spruce. Leave all white pine  
- Swamp Hardwood unit: Harvest all merchantable hardwood trees. Harvest all orange marked pine and merchantable fir and spruce. Sever all hardwood stems 2” in diameter and greater except ash  
- Do not cuts snags except for those that pose a safety hazard  
- Access for sale is either off Skerbeck road or Hoover Line road from the north  
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical  
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale  
- Do not damage any survey monumentation  
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure
