**Harvest Requirements:**

- Sale is an overstory removal being sold on a ticket scale basis.
- Sale boundaries consist of red paint line and blue paint line.
- Blue paint line indicates private property. No equipment or felled trees may cross the line.
- Leave all conifer and all purple marked oak and birch.
- Harvest all hardwood stems 4” diameter and larger except those marked with purple paint.
- Because this is an overstory removal there is advanced regeneration present. Damage to these trees must be minimized.
- Whole tree harvesting and/or utilization of tops less than 4” diameter will not be allowed.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
