Bayfield County Forestry & Parks Department

**Harvest Requirements:**

- Sale is a clearcut being sold on a Ticket Scale Basis.
- Sale boundaries consist of red paint line or an abrupt change in timber type.
- Leave all conifer except merchantable balsam fir and spruce.
- Harvest all merchantable hardwood and sever all hardwood stems 2” in diameter and greater.
- To access the small stand to the east, a temporary crossing (pole ford or culvert) will need to be installed in a non-navigable drainage.
- Sale operations may only occur when the ground is frozen unless written permission is granted by Bayfield County.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
