Bayfield County Fair
Iron River, Wisconsin
August 8-11, 2019
125th Anniversary!
1894 – 2019
2019 Exhibitor Premium List
Any Wisconsin Resident can enter items!
PROCESS FOR ENTERING ITEMS AT THE FAIR

1. Decide which is the appropriate division for you
   A. Open Division: You are an Adult or a youth (age 5 & above) who does NOT belong to an approved Bayfield County youth club
   B. Junior Division: You belong to a Bayfield County approved youth club such as 4-H, FFA, Scouts, or any other recognized club with Adult Supervision, and are in Grades 3-13.

2. Choose the Correct Department
   A. Open Division Departments are between 1 and 32.
   B. Junior Division Departments are between 101 and 135.

3. Choose the Correct Class
   Many times the Class is based on your experience level (Professional, Amateur, etc.) or breed (animals), grade (Junior Class) or type of item.

4. Choose the Correct LOT Number.
   You may ONLY enter ONE item in each LOT number. Open Division exhibitors entering livestock (not including rabbits or poultry) may enter 2 animals per lot number. All animals must be owned by the exhibitor.

5. Fill Out Your Entry Form & Submit
   Entry forms are available in this booklet (pages 3, 5) or at bayfieldcounty.org/fair. Submit your entry form with your exhibitor fee to the Fair Office by the due date of June 26th. Entries received after this date are subject to a higher entry fee. The entry fee is the same, regardless of the number of items you enter.

6. Bring Your Items to the Fair
   The actual items need to be brought to the Fairgrounds in Iron River, the first day of the Fair (Thursday) between Noon and 7 pm.

Exhibitor Fees*
$20—for each Division (Junior or Open) if received on/or before June 26th
$30—for each Division (Junior or Open) if received after June 26th
*Exhibitors receive a season pass which includes carnival rides & Grandstand shows.

New Policy for Entries

All Entries & Exhibits should support and uphold the values, educational goals and standards of the Bayfield County Fair.

The Bayfield County Fair reserves the right to reject or disqualify any entry that may be considered inappropriate at the discretion and agreement of at least one fair staff member, and two other officials (Department Superintendents or Fair Committee Members).

Entries and exhibits which promote or contain elements of: tobacco use/vaping, alcohol and other drug use/abuse, firearms, discrimination, sexual content, political intolerance, inappropriate use of weapons, intimidation or violence may be disqualified. Disqualified Entries will be removed from public display for the duration of the Fair.

Any entry disqualified that has already been judged and awarded a prize will forfeit the awarded prize. Other entries will not be affected in any way and will retain their original placings. No refunds on admissions will be given in the case of disqualified entries.

Displaying Your Garden Goodies

You made the decision to bring your vegetables and flowers to the Bayfield County Fair. What is the best way to exhibit them at the Fair? Do you take the leaves off? Trim the stems? What does a judge look for?

The following documents provide general guidelines as to what the judges may be looking for. The information is aimed at the Junior Department exhibitors, but is also applicable to Open Department exhibitors. Of course, all judges use their best judgement in determining the placings for all items. Following these guidelines does not guarantee that you will place. [http://www.bayfieldcounty.org/266/Judging-Guidelines](http://www.bayfieldcounty.org/266/Judging-Guidelines)

Please follow any and all rules listed in the Bayfield County Fair premium list for each department or you may be disqualified.
DEPT. 15 - FLOWERS AND HOUSE PLANTS

Any display entered in this department must be grown by the exhibitor. All house plants & flowers Must be real - not artificial. Exhibits using plant materials from invasive or protected species will result in disqualification. Exhibits with the use of artificial (silk, plastic, etc.) plants and/or flowers will be disqualified.

In Classes A and B,

“Foliage” means that only the foliage on the stalk of the cut flower specified may be used, no other. A stalk may have more than 1 bloom.

“Single Color” means all flowers should be alike in color. When not specifically designated, preference will be given to such an exhibit.

“Variegated Colors” means there may be two or more colors within a single flower, but all flowers in a given exhibit should be similar.

“Mixed Colors” means that flowers in an exhibit may be of different colors and either plain or variegated.

RIBBONS: Best of Show for each Class: Cut Flowers, Bouquets, Floral Arrangements and Potted Plants

Class A: Cut Flowers

Three (3) stalks per item unless otherwise specified.

*A Photo Journal is an organized book of photos printed on paper, captions to be included but no other embellishment.

DEPT. 20 - PHOTOGRAPHY

Exhibitors may enter in only one of the four classes. Any type of camera may be used. Digital photographs must be all original work and should be printed on photo paper to obtain the best results. All photos must have been taken within the last year and be the work of the exhibitor.

Photos should be 4 x 6 in. unless otherwise specified. If you do not want your photos displayed with staples or thumbtacks, please note this on your entry and attach a secure hanging device (masking tape or packing tape works well).

All photos in each lot must be mounted on to the top of a piece of sturdy black poster board or matting. Please do not use wooden, plastic, paper or any frames of any type. Use rubber cement or photographic dry mounting tissue to mount your photos to the board—no corner mounts.

Attach entry tag to lower left corner of black poster board used to mount photo, information facing forward for ease of reading.

RIBBONS: ➤ Best of Show for each class.

Matting sizes as follows

- 8½x5½ inches for one 4x6 photo
- 8½x16 inches for three 4x6 photos
- 8½x10 inches for one 5x7 photo
- 8½x20 inches for three 5x7 photos
- 11x14 inches for one 8x10 photo

Preserving Food Safely

A pressure canner is essential for safely canning vegetables, meats, fish and poultry. There are two types of pressure canners:

- **Digital Gauge Canners** - have a dial gauge to indicate the pressure inside the canner; (This gauge should be tested for accuracy each canning season)

- **Metal Weighted Gauge Canners** - have a metal weighted gauge (which does not need to be tested).

The Extension Office Bayfield County can check dial gauges free of charge. Please call their office at 715-373-6104 or bring the lid of your dial gauge pressure canner into the Extension Office in the Bayfield County Courthouse between the hours of 8:00 am and 4:00 pm, Monday through Friday.

Happy Canning!!

Preserving Food Safely

A pressure canner is essential for safely canning vegetables, meats, fish and poultry. There are two types of pressure canners. One has a dial gauge to indicate the pressure inside the canner; (which should be tested,) the other has a metal weighted gauge (which does not need to be tested). Dial gauges should be tested for accuracy each canning season. The Bayfield County Extension Office can check dial gauges free of charge. Please call the Bayfield County UW-Extension office at 715-373-6104 or bring the lid of your dial gauge pressure canner into the UW-Extension Office between the hours of 8:00 am and 4:00 pm, Monday - Friday. Happy Canning!!

• All exhibits must stay up until 5 pm on Sunday.
• Booths may be removed on Sunday from 5:45pm to 7pm or Monday from 10am to 2pm.
• The Bayfield County Fair and Fair Committee are not responsible for any exhibits/items brought to the Fairgrounds or left after7pm on Sunday.
• Late Exhibits will not be accepted.

The Harry Lowe Exhibit Hall and Verne Gilles Garden Building will be closed to the public on Sunday, starting at 5:00 pm to prepare exhibits to be released and will reopen at approximately 5:45 pm for take down.

**Face-to-Face Judging**

In Face-to-Face Judging, the judge discusses the items with the youth exhibitor to determine what s/he has learned in doing this project. At the same time, judge evaluated the item against a set of standards. The youth exhibitor will choose one (1) of the items that have been pre-registered for Department 115 (Flowers & Plants) to bring to the Face-to-Face Judging. Any other items entered will be judged using the Danish System. Face-to-Face Judging will be done on Thursday at Noon–3 pm and 4–7 pm  Face-to-Face Judging DOES require the youth exhibitor to be present on Thursday to participate. Not participating in Face-to-Face judging may jeopardize your placing for all of your Flowers & Plants exhibits.

### A few more notes:

- Cattle exhibitors are responsible for furnishing animal identification to fair officials for fair records.
- The Cattle Identification Form, which appears in this premium list, must be completed and returned with entry sheet.
- Identification numbers will be checked by barn superintendent upon arrival at the fairgrounds.
- All calves over 2 months of age must be identified by an official ear tag, breed registration tattoo or breed Registration number. For steers, either an official ear tag or the metal ear tag applied at weigh-in may be used.
- All cattle exhibited must be dehorned or polled, unless horns are a significant feature of the breed.
DEPT. 103 - JUNIOR SWINE

All swine that do not originate from a pseudorabies stage IV or V area shall have a negative pseudorabies test within 30 days of arrival at the fair, or originate from a qualified pseudorabies negative herd conducting approved certification testing. Wisconsin is a Pseudorabies Stage V area.

A copy of your Wisconsin Intrastate Movement Certificate (Veterinary Certificate Inspection) must accompany your swine and be turned into the Swine Superintendent before you begin to unload your animal. The Swine Superintendent or an official designated individual must also inspect your swine before they are unloaded.

This is a terminal show. By entering your swine for show at the Bayfield County Fair, you and your parent/guardian are indicating that you understand that this is a terminal show and that all Bayfield County rules and recommendations will be followed.

You and your parent/guardian must sign the Swine Acknowledgement form on the back of this page indicating you both understand that this is a terminal show and that you will comply with all bio-security measures and will ensure that your animal is taken directly to slaughter at a meat/packing plant after leaving the Fairgrounds.

This form must be turned in with your entry form and stall reservations. Failure to comply with rules may result in your disqualification and possibly being prohibited from showing at this and future Bayfield County Fairs.

Exhibitors must have their stock entered & on the Fairgrounds by 7:00 pm Thursday

SWINE ACKNOWLEDGEMENT FORM
(This form is also available at bayfieldcounty.org/fair)
All Swine Exhibitors must Complete this Form

I, ______________________________________ (print exhibitor's name), as a youth exhibitor of swine and I, ______________________________________ (print parent or guardian's name) at the 2019 Bayfield County Fair; agree and acknowledge that WE are aware that the 2019 Bayfield County Fair Swine show/exhibition will be a terminal show. A terminal show is a show/exhibition in which the animal does NOT return to a farm and is sent to a processing plant/meat locker. After the Bayfield County Fair, the swine shown/exhibited will be sent directly to a processing plant/meat locker. It may not be taken back to the home farm or any other farm or any holding place. This is for all swine shown, whether your swine is "in" the Bayfield County 4-H Market Sale or not. Nor is it dependent on the weight of the swine.

Again: All swine shown must go directly to a processing plant/meat locker.
WE also acknowledge that there will be bio-security measures that will be taken during the Fair. WE will follow and obey all rules.

WE understand that non-compliance with the terminal show and/or bio-security rules may result in OUR being prohibited from exhibiting at this or any future Bayfield County Fairs.

I agree to the following:

I am participating in the Market Sale Program

☐ My animal will be transported with the other Market Sale animals.

☐ I will not hold Bayfield County, the UW-Extension 4H Market Sale Program or any of their affiliates responsible in the event that due to circumstances beyond their control my animal is not able to be sold due to transportation issues or other reasons.

☐ I have made arrangements to transport my animal to the following processor IMMEDIATELY following the 2019 Bayfield County Fair:

I am not participating in the Market Sale Program

☐ I understand that I must make arrangements and I have made arrangements with the following processor IMMEDIATELY following the 2018 Bayfield County Fair:

(Please print processing plant/meat locker company name and phone number)

Stalls must be cleaned daily by the exhibitor or premiums will be forfeited. A copy of your horse's COGGIN'S PAPERS must accompany your Fair Entry Form AND must accompany your animal whenever it is travelling. A maximum of two animals may be entered by a single exhibitor in classes A through K. Two exhibitors from the same family may enter the same animal in only the showmanship, equitation and horsemanship classes. One of the two exhibitors from the same family may also enter the same animal in either pleasure or halter classes. Neither exhibitor qualifies to show in the horseless horse categories.

By entering in this class, you agree that you have read & will abide by all rules.

Junior Horse Exhibitor Rules

1. The Barn Superintendents are in charge! Please, follow their Rules!
2. 4-H horse leaders must identify the horse members they are working with.
3. Junior exhibitors must identify the horse (by official and barn name) that they will be bringing to the Fair.
4. Horse Exhibitors must attend the mandatory meeting by the arena on Thursday evening.
5. A copy of your horse's COGGIN'S PAPERS must accompany your Fair Entry Form
6. The Barn Superintendent's will need to check your horse and Coggin's Papers - Do not unload or stable your horse until you have been checked in by the Barn Superintendent!
7. No more than two horses per exhibitor. Each horse must be exhibited in two classes. The two classes must include one halter class & one riding class.
8. Only two premiums will be paid out, although you may show in more than two classes. Premiums will be paid out in accordance with State Statute ATCP 160.56
9. Each Barn Superintendent will assign the stalls in their Barn. They will do their best to give you the barn that you request, but it is not guaranteed.
10. Horses must be fed and watered at least twice a day. Hay nets must be tied top and bottom. Buckets with handles must be tied in the stall. Please, Conserve water.
11. All halters must be removed from horses while in stalls. A halter and lead rope must be left available on each stall, leaving the stall door free to open if necessary.
12. Keep aisles clean and clear at all times. This includes hay, tack, etc.
13. Stalls must be cleaned regularly and clear of ALL waste material BEFORE you leave the fairgrounds. Failure to do so may result in premium forfeit.

Junior Horse Exhibitor Rules...continued

24. No one under the age of 18 may camp without an adult IN their camper, unless approved by Fair Office in writing.
25. A horse may only enter Halter Broke Class for one year. After that the horse must be shown in a riding class.
26. All judging decisions are final. Arguing with the Judge will result in the rider’s disqualification for ALL placings.
27. Only the eligible exhibitor can ride or work with their horse on show grounds.
28. No coaching from the rails while riders are in a class.
29. The Judge can & will make the decision to disqualify any unruly/uncontrolled/unsafe horse-rider combination which will result in them not being able to ride in ANY event during the Fair.
30. Be courteous at all times and give our Fair and Bayfield County youth a good image!

Horseless Horse Exhibitor Guidelines

Horseless Horse classes MUST only be entered by a project member who meets the following criteria.

1. All horseless horse exhibitors must wear an SEI approved equestrian helmet when mounted.
2. A horseless horse project member is defined as a Junior exhibitor who does not have one-on-one access to a horse. (They do not own their own horse.)
3. Horseless horse project members may only show in horseless horse classes.
4. The horseless horse person must be working with a current project member (Buddy) or leader. The same horse may be shown by both members (or member and leader). This is the only horse the horseless horse member may show.
5. The “buddy” may not be a sibling that resides in the same household. (If two siblings are showing the same horse, that is family owned or managed, both siblings are classified as horse project members.)
6. Horseless horse members are expected to work with the horse owning member or leader to learn about the horse, (including grooming, clean up, tack, riding, etc.)
7. Horseless horse members are expected to participate in horse project activities.
8. The horseless horse project member is not managing or leasing a horse owned by someone else.

The following are NOT considered horseless horse members:

1. They own and are showing their own horse.
2. They are showing a horse owned by a family member.
3. They are showing a horse that is owned by someone other than a current 4-H project member or leader unless approved by a current 4-H project leader.

DEPT. 107 - JUNIOR POULTRY

- Poultry refers to: domesticated fowl - including chickens, turkeys, guinea fowl and other game birds, pea fowl and other fanciers, and water-fowl - that are bred mainly for exhibiting or producing eggs or meat. It does not include ratites (ostriches, emus, rheas).
- For regulatory purposes, domesticated fowl are considered to be sexually mature at 4 months.
- Turkeys are considered sexually mature at 6 months.
- All poultry and waterfowl must originate from flocks designated as U.S. Pullorum-Typhoid Clean under the NPIP and accompanied by a VS Form 9-3, or originate from a NPIP affiliate flock and accompanied by a VS Form 9-3, or originate from a Wisconsin Tested Flock or Wisconsin Associate Flock and be accompanied with documentation provided by the department certifying that they are a Wisconsin Tested Flock or Wisconsin Associate Flock.
- Sexually mature birds that do not meet these requirements may qualify with documentation of a negative test for pullorum-typhoid (and Mycoplasma gallisepticum for turkeys) conducted within 90 days prior to arrival at the exhibition, and be identified with a wing band or leg band.
- Each exhibit shall consist of one bird unless otherwise stated.
- A young male or young female is a bird hatched on or after January 1 of the exhibit year. Ducks, geese and turkeys should also be hatched on or after January 1 this year.
- Poultry should be at least 6 weeks old to exhibit.
- Feeding and watering of poultry is the responsibility of the Exhibitor.
- Cages must be cleaned daily by the exhibitor or premium may be forfeited.
- Judging time and date TBD. Exhibitors must be present for judging.

Do NOT unload or cage your poultry in the barn until it has been checked in by the Superintendent.

PRESERVING FOOD SAFELY

A pressure canner is essential for safely canning vegetables, meats, fish and poultry. There are two types of pressure canners. One has a dial gauge to indicate the pressure inside the canner; (which should be tested,) the other has a metal weighted gauge (which does not need to be tested). Dial gauges should be tested for accuracy each canning season.

The Bayfield County Extension Office can check dial gauges free of charge. Bring just the lid of your dial gauge pressure canner to the Bayfield County Extension office between the hours of 8:00 am and 4:00 pm Monday - Friday.

Please call 715-373-6104 for more information on canning safely. Happy canning and see you at the fair!

CLASS F: Dried Foods

DEPT. 135 - JUNIOR SCHOOL EXHIBITS

Exhibits must represent the work of the students and must be the result of school activity. Entries are to be made on the whole school basis rather than by grade. Only one booth allowed per school per Elementary, Jr High and High School. Judging will be based on appearance, originality, idea conveyed, story told, progress and development of subject.

A booth must be reserved with the fair secretary in advance by June 26th in the name of the school, in care of the person who is responsible for the exhibit, or to whom the premium is to be paid.

Booths may be put up on Wednesday from 2-7pm or Thursday from Noon-7pm. Booths and items in the booths must stay in the booth until exhibits are released on Sunday at 5:45pm. Items may be removed on Sunday between 5:45-7pm or on Monday from 10am-2pm. There is not an exhibitor fee charged for entering a booth, but an admission ticket is required on Thursday and Sunday, even if you are only setting up or picking up items. The Bayfield County Fair and Fair Committee are not responsible for animals or exhibits that have not been picked up by 7pm on Sunday.

Bayfield County Fair Committee Requirements

In addition to requirements of law, this Fair Committee has adopted certain precautionary measures designed to meet the unusual animal health problems which arise whenever a large number of animals from different sources are assembled for exhibition. All exhibitors must comply with the provisions set forth below:

1. Feeding and watering of all livestock and cleanliness of exhibit area is the responsibility of the exhibitor. Premiums may be withheld if stalls are not kept cleaned.
2. Exhibitors must provide and use only their own utensils and water buckets in caring for their livestock.
3. Animals must be transported in clean and/or disinfected cars/trucks and trailers to and from the Fair.
4. All horses entering the fairgrounds must provide proof of a negative Coggins test taken during the current calendar year. A copy is acceptable. Proof must ALSO be submitted with the entry form & stall registration.
5. All dogs must be vaccinated for rabies and DHL and Parvo Virus within one year of show date. Certificates must accompany Fair entry form. A copy is acceptable. Only dogs being shown as an exhibit &/or service dogs are allowed on the fairgrounds during the Fair.
6. All sheep and goats must have a Scrapies ID tag.
7. All Poultry must come from a certified Poulter-Free flock or a WI Tested Flock or Associate Flock or be certified as Pullorum-Free.
8. All Junior Dairy, Beef, Sheep, Goat and Swine exhibitors must include with their entry sheet an Exhibitor Entry Statement with appropriate signature(s) confirming that they have read and understand the National Code of Show Ring Ethics as printed in this premium list and will comply with it.
9. Cattle exhibitors are responsible for furnishing animal identification to Fair officials for Fair records. The Cattle Identification Form, which appears at the end of this premium list, must be completed and returned with entry sheet. Identification numbers will be checked by barn superintendent upon arrival at the fairgrounds.
10. All calves over 2 months of age must be identified by an official ear tag, breed registration tattoo or breed registration number. For steers, either an official ear tag or the metal ear tag applied at weigh-in may be used.
11. All cattle exhibited must be dehorned or polled, unless horns are a significant feature of the breed.
12. Consumption of food and drink in the barns is HIGHLY discouraged.
National Code of Show Ring Ethics
Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “National Code of Show Ring Ethics,” fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics deme the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal’s performance or appearance at the event.
5. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.
6. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
7. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
8. Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.
9. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics and knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
10. The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

UNITED STATES DEPARTMENT OF AGRICULTURE WHOLESOME MEAT ACT
The United States Department of Agriculture Wholesome Meat Act applies to the sale of market livestock sold during the Arkansas State Fair as follows:

a. Animals must be in good health and carcasses free of drug or chemical residues.
b. Antibiotics and sulfafoximides have required withdrawal periods.
c. Drug label directions for use and withdrawal periods must be followed.
d. If drug or other chemical residues are found in tissue of carcasses, the entire carcass may be condemned. If drug or other chemical residues are found in tissue of carcasses of animals sold through sale or sales connected with the Arkansas State Fair, said show will in no way be liable or responsible for conditions of carcass or sale of animal. Exhibitor forfeits all rights to the sale price. Before administering antibiotics and/or sulfafoximides, consult a licensed practicing veterinarian, or label directions of the drug.

BAYFIELD COUNTY FAIR

Animal Health Regulations for Fairs and Shows in Wisconsin: 2019 Season

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check our website or contact us for current information.

## General requirements for show organizers

All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:

- Exhibitor's name and address
- Animal identification (number, type, description)
- Compliance with disease testing and other health requirements
- Livestock premises number, if any, where animals originated
- If requested by the fair or show organizer, the documentation showing legal importation (if applicable) and movement to the event

Fairs or exhibitions lasting more than 24 hours must appoint a licensed veterinarian to inspect all animals daily and review the above-required records.

## Diseases

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease.

Bovine animals with ringworm, mange, warts or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions incapable of transmitting disease after arriving, or be subject to other action as would be necessary to control disease.

Cattle and bison

### Cattle from within Wisconsin

No requirements for tests or health documents.

### Cattle from outside Wisconsin

- Be accompanied by certificate of veterinary inspection (CVI) documenting official animal ID and all required tests and certifications
- Have at least one form of official individual ID (including steers)
- Meet all of Wisconsin's normal requirements for import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Eartagging System (NUES) (starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosis vaccination tag
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:
  - Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
  - American ID tag - 8 to 12-digit number prefaced with "USA"

**Brucellosis requirements for cattle from outside Wisconsin**

No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin.

### Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone, see requirements by state above)

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

### For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

### Cattle from Canada

Must meet current federal requirements to enter the United States. (See http://www.aphis.usda.gov/import/export/downloads/promp_cattle-bison_can.pdf)

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx.

## Swine

Effective March 27, 2018, testing for Swine Enteric Coronavirus Disease (SECD) will only refer to Porcine Epidemic Diarrhea virus (PEDv) testing. Porcine Delta Coronavirus (PDCoV) is no longer required.

### Herd testing for PEDv and Porcine Reproductive and Respiratory Syndrome (PRRS)

- Certificate of veterinary inspection (CVI) with the complete physical origin and destination address and the following information:
  - Official ID (See Acceptable methods of ID on “Swine from outside WI”)
  - Stating that the herd of origin was inspected on the farm within 30 days before the show and showed no signs of disease
  - For Terminal Shows, no testing is required
  - For Non-terminal shows Testing for PRRS and SECD are required.

### Swine from within Wisconsin

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- A tattoo or an ear tag with the premises identification number and a unique identification number
- Ear notch (if the pig is a purebred and the notch is registered)

Requirements are subject to change as conditions warrant. For complete and current information, check https://datcp.wi.gov/Pages/Programs_Services/FairsShowsSwine.aspx.
| Sheep and goats | Equine animals need documentation of a negative EIA test done within the previous 12 months, which clearly identifies the animal by complete description, digital photographs, or an approved microchip. Official test report VS 10-11, or USDA-approved electronic test form, or Global Vet Link EIA electronic form, or Certificate of veterinary inspection with the test results listed. | Exotic ruminants | Note: Exotic ruminants are ruminants that are not native to Wisconsin, and are not cervids - for example, Old World camels, yaks, water buffalo, pronghorn antelope, giraffes, and non-domestic sheep and goats. Exotic ruminants from within Wisconsin have no requirements. Exotic ruminants from outside Wisconsin must have: Certificate of veterinary inspection (CVI). Official animal ID (one of the following) - Approved USDA ear tag number - Microchip number - Breed association registration number - Breed association tattoo - Import permit - Proof written on the CVI that they meet requirements for: Bovine TB - negative test required within 60 days before entry Brucellosis - negative test required within 30 days before entry. | Poultry and waterfowl (Pigeons are not considered poultry for fairs and shows) | Poultry and waterfowl from within Wisconsin need: A NPIP certificate stating the birds originate from a US pullorum-typhoid clean or NPIP affiliate flock and turkeys must test negative for Mycoplasma aallisepticum, or A DATCP-issued certificate stating they are from a Wisconsin Tested or Associate Flock and turkeys must test negative for Mycoplasma aallisepticum or Individually test sexually mature birds within 90 days before arrival at the show. These birds also need wing or leg band ID. All birds must test negative for pullorum-typhoid, and turkeys must test negative for Mycoplasma aallisepticum. | | | | | | | | | South American camelids: llamas, alpacas, guanacos, vicunas | South American camelids from within Wisconsin have no requirements. South American camelids from outside Wisconsin must have a certificate of veterinary inspection (CVI) and official animal ID. Official ID may be: Approved USDA ear tag number Microchip number Breed association registration number Breed association tattoo. |
### Small animals: Dogs, domestic cats, and other household pets (ferrets, pet birds, rabbits, gerbils, guinea pigs, hamsters, domestic mice and rats)

**Note:** These rules do not apply to animals that are part of menageries. For those rules, see below. Pot-bellied and miniature pigs fall under rules for swine.

**Dogs from within Wisconsin** that are 5 months or older need proof of current rabies vaccination.

**Cats and other household pets from within Wisconsin** have no requirements.

**Dogs and cats from outside Wisconsin** that are 5 months or older need to be vaccinated for rabies by a licensed veterinarian, regardless of age, need certificates of veterinary inspection stating the age of the animal and for animals 5 months and older the date of last rabies vaccination and revaccination due date.

**Other household pets from outside Wisconsin** need certificates of veterinary inspection (CVIs) but have no testing or vaccination requirements.

**Small animals from other nations need to meet requirements of the U.S. Department of Agriculture (608-662-0600) and Centers for Disease Control (1-800-232-4636).**

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

### Circus, rodeo, racing and menagerie animals

**Note:** Local jurisdictions may have requirements beyond the state requirements listed here.

**Animals from within Wisconsin** must meet vaccination and testing requirements for their species. See these requirements earlier in this document.

**Animals from outside Wisconsin** need certificates of veterinary inspection and vaccinations and tests required for their species. See these requirements earlier in this document.

The **They also need import permit numbers if they are:**
- Circuses and individual circus acts
- Rodeo stock other than individual participants’ horses
- Multi-species menageries (defined as any animals kept in a collection primarily for purposes of exhibition or competition)
- Petting zoos

They do not need import permit numbers if they are:
- Rodeo horses owned by individual participants
- Single-species groups

**Note:** Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Others may require permits from the Department of Natural Resources. See [http://dnr.wi.aov/ora/land/wildlife/captive/captive.htm](http://dnr.wi.aov/ora/land/wildlife/captive/captive.htm).

### Exotic small animals (any species not covered by “small animals” above), exotic large animals, and other wild animals

**Note:** Local jurisdictions may have requirements beyond the state requirements listed here.

**Animals from within Wisconsin** do not have any requirements as long as they are legally possessed in Wisconsin.

**Animals from outside Wisconsin** generally have no testing or vaccination requirements, but do need:
- Certificate of veterinary inspection (CVI)
- Import permit number

**Note:** Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice.

Others may require permits from the Wisconsin Department of Natural Resources. See [http://dnr.wi.aov](http://dnr.wi.aov).

### Guidelines for housing and managing animals

**The State Veterinarian recommends that exhibitors:**
- Vaccinate breeding cattle against bovine viral diarrhea (BVD) at least 30 days before the event
- Test cattle for BVD-PI by immunoperoxidase test, and bring them to shows only if they test negative
- Test cattle for Johne’s disease by ELISA test, and bring them to shows only if they test negative
- Clean and disinfect vehicles used to transport animals to and from the show, and vehicles used at the show, before and after the show
- Isolate exhibited animals returning to their farms or animals purchased at the show for 21 days before mingling them with other stock

**The State Veterinarian recommends that show organizers:**
- House cattle separately from South American camelids and other exotic ruminants
- House cattle separately from small ruminants, especially sheep
- House ostriches, emus, rheas and cassowaries separately from domestic poultry
- House swine separately from any other mammals
- Include a space for the premises registration code on livestock entry forms
- Provide hand-washing stations near all livestock facilities
- Provide individual watering and feeding troughs rather than common ones

Chapter ATCP 160
COUNTY AND DISTRICT FAIRS

Subchapter I — General Requirements and Definitions

ATCP 160.01 Definitions. As used in this chapter:

1. "Breed class" and "breeding class" mean a specific breed within a class such as holstein in the dairy class.

2. "Class" means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, group or educational grade level of exhibitor.

3. "Danish judging system" means a judging system that allows for multiple first, second, third and fourth class selections as provided in s. ATCP 160.91 (4) (b).

4. "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin department of agriculture, trade and consumer protection.

5. "Division" means one of 3 exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.

6. "Entry class" means a class in which the fair allows exhibitors to submit entries.

7. "Exotic domestic animal" means an animal that is not a common farm animal.

8. "Lot" or "lot number" means the numerical designation assigned by a local fair for a specific category of exhibits within a class.

9. "Market class" means a class that includes animals of a certain weight for the breed class that can be sold for slaughter.

10. "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.

11. "Regular judging system" means a judging system that allows for one first, second, third and fourth class selection as provided in s. ATCP 160.91 (4) (c).

12. "Self determined project" means a project that meets all of the following criteria:
   a. It is approved by the fair board.
   b. Its subject matter is related to any of the junior fair departments 9, 10, 13 to 16, 18, or 20 to 29.
   c. It does not fall into a defined entry class within a fair.
   d. It is carried out by a 4-H member enrolled in a designated 4-H project or alternative project that follows 4-H guidelines, or by a member of another youth organization that does equivalent work.

ATCP 160.02 Premium requirements.

1. General.
   a. The state aid authorized by s. 93.23 (1) Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
   b. No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.
   c. Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.
   d. State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.
   e. No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
   f. No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

2. Premium lists.
   a. Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).
   b. The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.
   c. Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium lists used by a fair for which state aid is requested.

3. Entry fees.
   a. A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.
   b. Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

4. Split fair dates.
   a. For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.
   b. Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.
   c. The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:
      1. Clothing review.
      2. Demonstrations.
      3. Favorite foods review.
      4. Dogs.
      5. Small animals.
      6. Rocketry.
      7. Shooting sports.
      8. Other exhibits and contests that are similar to those identified in subds. 1 to 7.

(4) (c) b. Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

1. No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the society, or require an exhibitor in any other way to make a donation to the society.

2. State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

3. State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).

4. State aid may not be paid on exhibits removed from the fairgrounds before 4 pm of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90.

ATCP 160.04 Junior fair division; general.
(1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, a scouting program, a breed group, or another recognized youth organization under adult leadership that has an education program appropriate to that organization and is approved by the fair board.

(3) Exhibits in the junior fair shall be the product of the exhibitor's own labor. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided that the fair board approves the project, skill area, or supervised occupational experience as an exhibit.

(4) State aid may not be used to award more than one premium to any exhibitor in any department in the junior fair division, except that:
   (a) A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. IV.
   (b) An exhibitor may receive a separate premium for showmanship where authorized under subch. IV.

(c) An exhibitor may receive more than one premium in a department for which additional premiums are specifically authorized under subch. IV.

(5) Under subch. IV, within each of the junior fair departments 9, 10, 13 to 16, 18, and 20 to 29, a fair board may establish one or more entry classes for self-determined projects that are related to that department. The fair board may establish class entry criteria, including student grade level criteria. Entry classes are open to 4-H members enrolled in a designated 4-H project, or an alternative project that follows 4-H project guidelines, and to members of other youth organizations that do equivalent work and apply equivalent guidelines. Exhibits may be judged using the regular or Danish judging system. For each entry class, a fair board may pay first-place to fourth-place premiums at any of the following levels designated by the board:
   (a) Premium level one: $2.00, $1.75, $1.50, $1.25.
   (b) Premium level 2: $2.50, $2.25, $2.00, $1.75.
   (c) Premium level 3: $3.00, $2.75, $2.50, $2.25.

(6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special educational exhibits may be established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; am. Cr. Register, May, 1992, No. 266, eff. 6-1-92.

ATCP 160.05 Open division: general requirements.

(1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class.

(2) All animals in any open division class shall be owned by the exhibitor, except as provided in s. ATCP 160.09.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; Cr. Register, July, 1995, No. 361, eff. 7-1-95; Cr. Register, April, 1997, No. 232, eff. 6-1-97; and Cr. Register, September, 1999, No. 409, eff. 9-1-99.

ATCP 160.06 Senior citizens division; general requirements.

(1) The age of exhibitors in the senior citizens division is limited to persons 62 years of age or over.

(2) Exhibitors in the senior citizens division may not enter identical items or articles in both the senior citizens division and the corresponding classes of the regular open division.

History: Cr. Register, March, 1980, No. 291, eff. 4-1-80; and Cr. Register, March, 1982, No. 266, eff. 5-1-82.

ATCP 160.07 Classes; general requirements.

(1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.

(2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or hogs unless those animals are registered purebreds. Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration.

(b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.

(3) Any animal entered as part of a group class may also be exhibited in a class for individual animals.

(4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed.

(5) The age of an animal, for purposes of determining its entry class under this chapter, shall be determined as of the opening day of the fair.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; Cr. Register, January, 1995, No. 475, eff. 8-1-95.

Subchapter V — Judging and Accounting

ATCP 160.91 Judging regulations.

(1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of s. ATCP 160.92 (3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

(2) Each judge at a county or district fair shall be provided with a copy of the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.

(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

(4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments.

(b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, nor more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, more than 50% in the first 2 groups, and not more than 75% in the first 3 groups.

(c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

(5) If any class of exhibits at a county or district fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

History: Cr. Register, April, 1976, No. 244, eff. 5-1-76; am. (1), Register, March, 1980, No. 291, eff. 4-1-80; and Register, March, 1982, No. 266, eff. 5-1-82.
BAYFIELD COUNTY FAIR CAMPING RULES

Please Return Camping Form and a Check* by June 26th.
All persons wishing to camp at the Bayfield County Fair must have a camping permit.

1. All persons wishing to camp at the Bayfield County Fair must have a camping permit.
2. **ALL campsites** (including tent sites) are assigned & assessed a camping fee.
3. **PLEASE check-in with the Fair Office BEFORE you set up camp.** Just because you have camped at a specific site in the past does not mean that you will be assigned the same site this year. **Please pick up your Camping Permit at this time.** If you are not in the correct site, you will need to relocate and/or pay a fine.
4. Camping permits must be placed on your camping unit (either on the door or in the window next to the door) and must be left on there throughout the Fair.
5. All youth under the age of 18 must be chaperoned by their parent or legal guardian.
6. Department of Health regulations requires that each camper must catch any waste water (including gray water) & dispose of it properly in a city sewer, a septic system or at a dumping station.
7. A dumping fee is NOT included in the camping fee. A dumping station is available off site at Twin Bear Campground.
8. To reserve your camping request, payment should accompany this form. Checks should be made out to “The Bayfield County Fair.”
9. The camping fee is the same regardless of how many days/night you camp during the Fair.
10. A $10 service fee will be charged if camping reservations are cancelled.
11. Those wishing to “camp with their horse” will be assigned to the designated “primitive horse camping area”, which is located near the horse trailer parking area.
12. Generators are **NOT ALLOWED** in the primitive or the electrical camping sites. Generators are **only allowed in the designated** non-electrical camping area near the Horse Show Arena.
13. Quiet time shall be from 10 pm to 6 am.
14. Campfires are not allowed.
15. Be courteous to others camping near you.
16. Any disputes/violations will be resolved by the Bayfield County Fair Committee or their designee.
17. Pets are NOT allowed on the Fairgrounds.
18. **Bikes, ATV’s and/or Golf Carts are NOT allowed on the Fairgrounds.**
19. By camping at the Bayfield County Fairgrounds during the Bayfield County Fair, you agree to all rules as written. Violations may result in a fine, loss of camping privileges or removal from the Bayfield County Fairgrounds.

*Note: Please write a different check for camping than for your entries
