### Harvest Requirements:

- **Sale is a ticket sale being sold on a Ticket Scale Basis**
- **Sale boundaries include:** 26 yr old aspen on the west and south, red line on the northwest, town road on the north, red line on the east and in the drainage, and 32 yr old aspen on the north east.
- **Clearcut Unit:** Harvest all merchantable hardwood and sever all hardwood stems 2” and greater. Leave all conifer
- **Sale includes 4 grouse trees that are painted with a purple painted ring and “X”.** Operator must fell and leave trees marked with purple “X” above the purple ring and lay the tree on the ground as close to the high stump as possible. These trees will create ruffed grouse drumming habitat.
- **To comply with the Best Management Practices for Invasive Species:** Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- **Decking of wood along town roads will not be allowed without permission from Bayfield County.**
- **If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.**
- **This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.**
