Sale is an aspen and oak harvest being sold on a ticket scale basis.
Sale boundaries consist of red paint line, blue paint line, ATV/snowmobile trail or abrupt changes to young aspen.
Harvest all unmarked hardwood species. Sever all hardwood stems 2 inches in diameter and greater.
Leave all purple marked trees. Leave all conifer.
The blue line indicates private property. No equipment or felled trees may cross the line.
This map is not a survey of the actual boundary of any property this map depicts.
Do not damage any survey monumentation.
The primary haul route utilizes a portion of the ATV/Snowmobile trail. Excessive damage (beyond normal wear and tear) to the ATV trail, as determined by Bayfield County, will not be tolerated. If Bayfield County determines excessive damage has occurred, the Contractor may be held responsible for a portion or all of the repair.
The County and Contractor must communicate on a regular basis to ensure issues are addressed in a timely manner and the ATV trail remains in a safe and acceptable condition.
During harvest the ATV/snowmobile trail must be kept unobstructed. If operating in the winter the snowmobile trail must be kept in a packed snow condition. The purchaser must ensure that the harvesting and hauling operations will not create a safety hazard.
Do not cut snags except for those that pose a safety hazard.
Whole tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
Decking of wood along town roads will not be allowed without permission from Bayfield County.
