Harvest Requirements:

- Sale is a third thinning red pine stand being sold on a Ticket Scale Basis.
- Sale boundaries consist of abrupt change in timber type or roads.
- Harvest all aspen and jack pine 2" and greater and harvest all orange marked red and white pine.
- Harvest all stems 2" and greater within 50 feet of the centerline of Wills Rd.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
