Access road is thru private property that has been secured by the County. Road leaves Pratt road along a field edge and continues north until it turns west into the woods. All but the last 100ft to county land is existing road. Road must be returned to good condition upon completion of the sale as determined by the sale administrator.

Sale is a clearcut being sold on a Ticket Scale Basis
Sale boundaries are marked out in red paint and blue paint
Sale boundaries to the north, east, and south are private property
Sale must be harvested during frozen ground conditions or very dry conditions as determined by the County
Access trail is thru private property, which has been secured by the county, is the thick dashed line
No trees or equipment may cross the blue. An exception to this restriction applies when using the private access road
Tree harvest details:
- Harvest all merchantable hardwood, fir and spruce
- Do not harvest red or white pine
- Do not harvest any red painted trees scattered throughout the sale area
- Sever all non-merchantable hardwood stems 2" in diameter and greater
- Do not cut snags except for those that pose a safety hazard
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure
Bayfield County will notify landowner prior to use of access road
Access road thru private property is along a field edge running north off Pratt road. Access road must be returned to good condition upon completion of the sale according to the satisfaction of the sale administrator.
