Washington, DC 20590

Subject: Letter of Support – Building All Season Economic Development (BASED),
Better Utilizing Investments to Leverage Development (BUILD) Funding Application

Dear Secretary Chao:

On behalf of the Wisconsin Department of Transportation, we are pleased to submit this Letter of Support for Bayfield County, Wisconsin's application for a grant to help fund their Building All Season Economic Development (BASED) project under the Better Utilizing Investments to Leverage Development (BUILD) program.

This proposed project will improve a 22-mile stretch of road in order to provide the local forest industry year-round access to the county's forests and to increase the overall safety along the road. The southern segment of County Highway A and the western segment of County Highway N provide access to nearly 30% of the forest lands within the county. During spring thaws; however, the road's foundation is not able to support heavy loads and approximately two months of every year the county must impose weight limits which prevent logging trucks from accessing the forest lands.

This proposed project includes plans for reconstructing these roads to ensure they are usable in all-seasons. Improvements include new base, surfacing, paved road edges and improved shoulders which will improve safety, rideability and all-season access for trucking. These improvements will create immediate savings for local businesses, and thereby strengthening the county's rural communities.

This project's improvements are consistent with the BUILD program's goals and those of our organization. The Wisconsin Department of Transportation is responsible for the safe and efficient movement of people and goods throughout the state of Wisconsin. The proposed transportation improvements in this application will greatly improve safety, mobility of commercial traffic, and rural economic growth in Bayfield County.

Thank you for your consideration and approval of this application.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Thompson", written over a white background.

Craig Thompson
Secretary
Wisconsin Department of Transportation
