**Harvest Requirements:**

- This sale is a 69-acre red oak/white birch seed-tree with pockets of aspen being sold on a Ticket Scale Basis.
- Sale boundaries are delineated with red or blue paint or are formed by an existing trail.
- **LEAVE** all birch (including unmarked birch), all purple-marked oak, all sub-merchantable oak, and all conifers.
- **HARVEST** all other merchantable hardwood.
- **SEVER** all sub-merchantable hardwood stems 2” in diameter and larger, except sub-merchantable oak.
- If whole-tree harvested, 1 in 10 tops less than or equal to 4” diameter must be left scattered across the site.
- Do not cut snags except for individuals that pose a safety hazard.
- During winter harvesting the snowmobile trail must be kept unobstructed and in a packed-snow condition. The purchaser must ensure that harvesting and hauling operations will not create a safety hazard to snowmobiles.
- When open to ATV traffic, the ATV trail must be signed and kept free of debris.
- Do not damage any survey monuments.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces of the logging equipment.
- Decking of wood along town roads will not be allowed without permission from Bayfield County Forestry Department.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure. (refer to Section 17)
