OHM use in Bayfield County is limited. ATV trails within the Chequamegon-Nicolet Forest are the only ATV trails open to OHMs. OHMs are prohibited on County Forest and private property ATV trails unless specifically signed as open to OHMs.

OHMs operated on public trails are required to be registered in the State of Wisconsin with the Wisconsin DNR.

ATV Routes are not open to “Limited Use OHMs” unless specifically signed as OHM Routes.

On Road / Off Road OHMs may be operated on roads if the OHM and operator meet all legal requirements for operation on roads (DOT registration, driver’s license with motorcycle endorsement, etc.).
